Bio

Ever since he was young, Mike Berlon knew he wanted to make a difference. He wanted to change the world. He wanted to spread joy and happiness to everyone. When that didn't work out, Mike began performing as a standup comedian.

Since taking the stage and grabbing the microphone a few years back, it was evident it was his calling. Mike has been delighting audiences wherever he performs: comedy clubs, colleges, bars, malls, street corners, free clinics, anger management seminars. His unique outlook on college, family, and relationships makes him a favorite to audiences of all ages. With a laid back attitude and sarcastic wit, he leaves an impression that is not soon forgotten.
